

Mr Eric Lim

Chief Sustainability Officer,
United Overseas Bank Limited (UOB)

Mr Eric Lim is Managing Director and the Chief Sustainability Officer at United Overseas Bank Limited (UOB). His role is to drive UOB's sustainability strategy and objectives of helping businesses and individuals transition to a sustainable future and fostering social and environmental well-being among colleagues and communities.

Eric was also the Head of Group Finance from 2013 to 2022, where he was responsible for the Bank's core finance functions spanning financial strategy, capital management, regulatory and financial reporting, tax management, business finance and performance management.

Eric holds positions in key UOB management committees, including Chairperson of the Group Sustainability Committee. He is also a member of the Management Committee and holds directorships in UOB affiliated companies.

Prior to joining UOB, Eric was Managing Director and Head of Wholesale Banking Finance, Singapore and Southeast Asia for Standard Chartered Bank, responsible for driving the strategic partnership between the wholesale business and finance teams. During this time, Eric led the finance functions covering commercial banking, financial markets and investment banking.

Eric began his career with GE Capital where he took on various executive positions in the areas of financial planning and analysis, mergers and acquisitions, audit and controllership. He lived and worked in more than 20 countries, with particular focus in the USA and Japan during that time.

Eric holds a Bachelor of Accountancy from the Nanyang Technological University and an Executive Master of Business Administration from the Kellogg School of Management, Northwestern University.
