

Ms Valerie Wang

Sustainability Solution Consultant,
EcoVadis

Valerie Wang is a Sustainability Solution Consultant at EcoVadis, a purpose-driven company providing sustainability solutions suite to a global customer base. In her role, Valerie consults and guides businesses to strategize and deploy EcoVadis' risk mapping, risk verification, carbon maturity review, and e-learning tools to drive impact in the value chain. Valerie's main focus areas are human rights, diversity, equity & inclusion and Scope 3 value chain emissions.

Prior to her current role, Valerie worked as a Sustainability Analyst and Team Lead focusing on labor and human rights ratings methodology and engagement with the rated companies.

Valerie graduated with a Master's Degree in Sustainability and Social Innovation from HEC Paris.
