Dear Friends and Partners,

As nations around the world prepare to review their Nationally Determined Contributions in 2025, the clock continues to tick on climate action to keep 1.5 degrees within reach and secure global net zero by mid-century.

To gather perspectives from, and co-create solutions with senior industry leaders, the National Environment Agency, Singapore, will be holding the **CleanEnviro Summit Singapore (CESG) Catalyst 2023** on **7 June 2023**.

Themed '**Towards a Low Carbon and Just Transition**', CESG Catalyst 2023 is a lead-up to CESG 2024 and will discuss pertinent issues of enablers for Singapore's Net Zero drive and workforce transformation for a Just Transition. The event is by-invitation-only, and will be co-located with Temasek's Ecosperity Week 2023 at the Sands Expo and Convention Centre, Singapore.

I look forward to meeting you in person at CESG Catalyst 2023.

[Express Interest to Attend](#)

Best regards,

Kwok Wai Choong

Managing Director
CleanEnviro Summit Singapore

CleanEnviro Summit Singapore 2024

The sixth edition of the biennial **CESG** will take place from **19 – 21 June 2024**. The event serves as a global networking platform for thought leaders, industry captains and policy makers to explore the key priorities in taking decisive actions to advance our climate ambition and environmental sustainability agenda.

If your business is in the environment or sustainability sector, and are seeking for opportunities in the region, we look forward to hearing from you to identify possible areas for collaboration.

Don't miss out on the early bird offer for exhibition packages that is valid until 30 June 2023!

Contact us at sales@cleanenvirosummit.sg for more information on CESG 2024 and the Environment Expo.
