Conference Sponsorship Opportunities

Sponsorship opportunities are available on a first-come, first-served basis for our Summit and Convention events.

Sustainability Summit

This event delves into strategic policies, innovations and international collaborations to address low carbon transition and environmental challenges in growing cities. Plenaries will focus on accelerating climate action and decarbonisation leading up to COP29, resource resilience and other Asia-Pacific sustainability topics of interest.

Sustainability and Clean Environment Convention

This platform allows industry professionals, academics, and technical experts to discuss current and emerging environmental challenges, focusing on Climate Action, Resource Circularity, and Public Hygiene. It is a forum for sharing ideas, technological innovations, and low-carbon transition best practices.

Contact us for information on conference sponsorship and find out how your organisation can benefit from participating in CESG 2024.
