

SKILLSCANZ

SCANNING YOUR
ORGANIZATIONS'
CAPABILITY FOR
SUSTAINABILITY
TRANSITIONS

© Anvarta Pty Ltd.

There are several objectives we often set to achieve to be

- green
- clean
- circular

Your leadership and people will drive the entire agenda !

But, do we know

Who needs to know what?

and

How to collaborate to achieve these ?

SKILLSCANZ

A Skill and capability assessment tool

Help uncover skill gaps to get to your goal

Provides tailored insights as to where you are

Pinpoints to how to build skills & capability

Uncovers potential for collaboration

What you will have

Readiness to change with a strong foundation

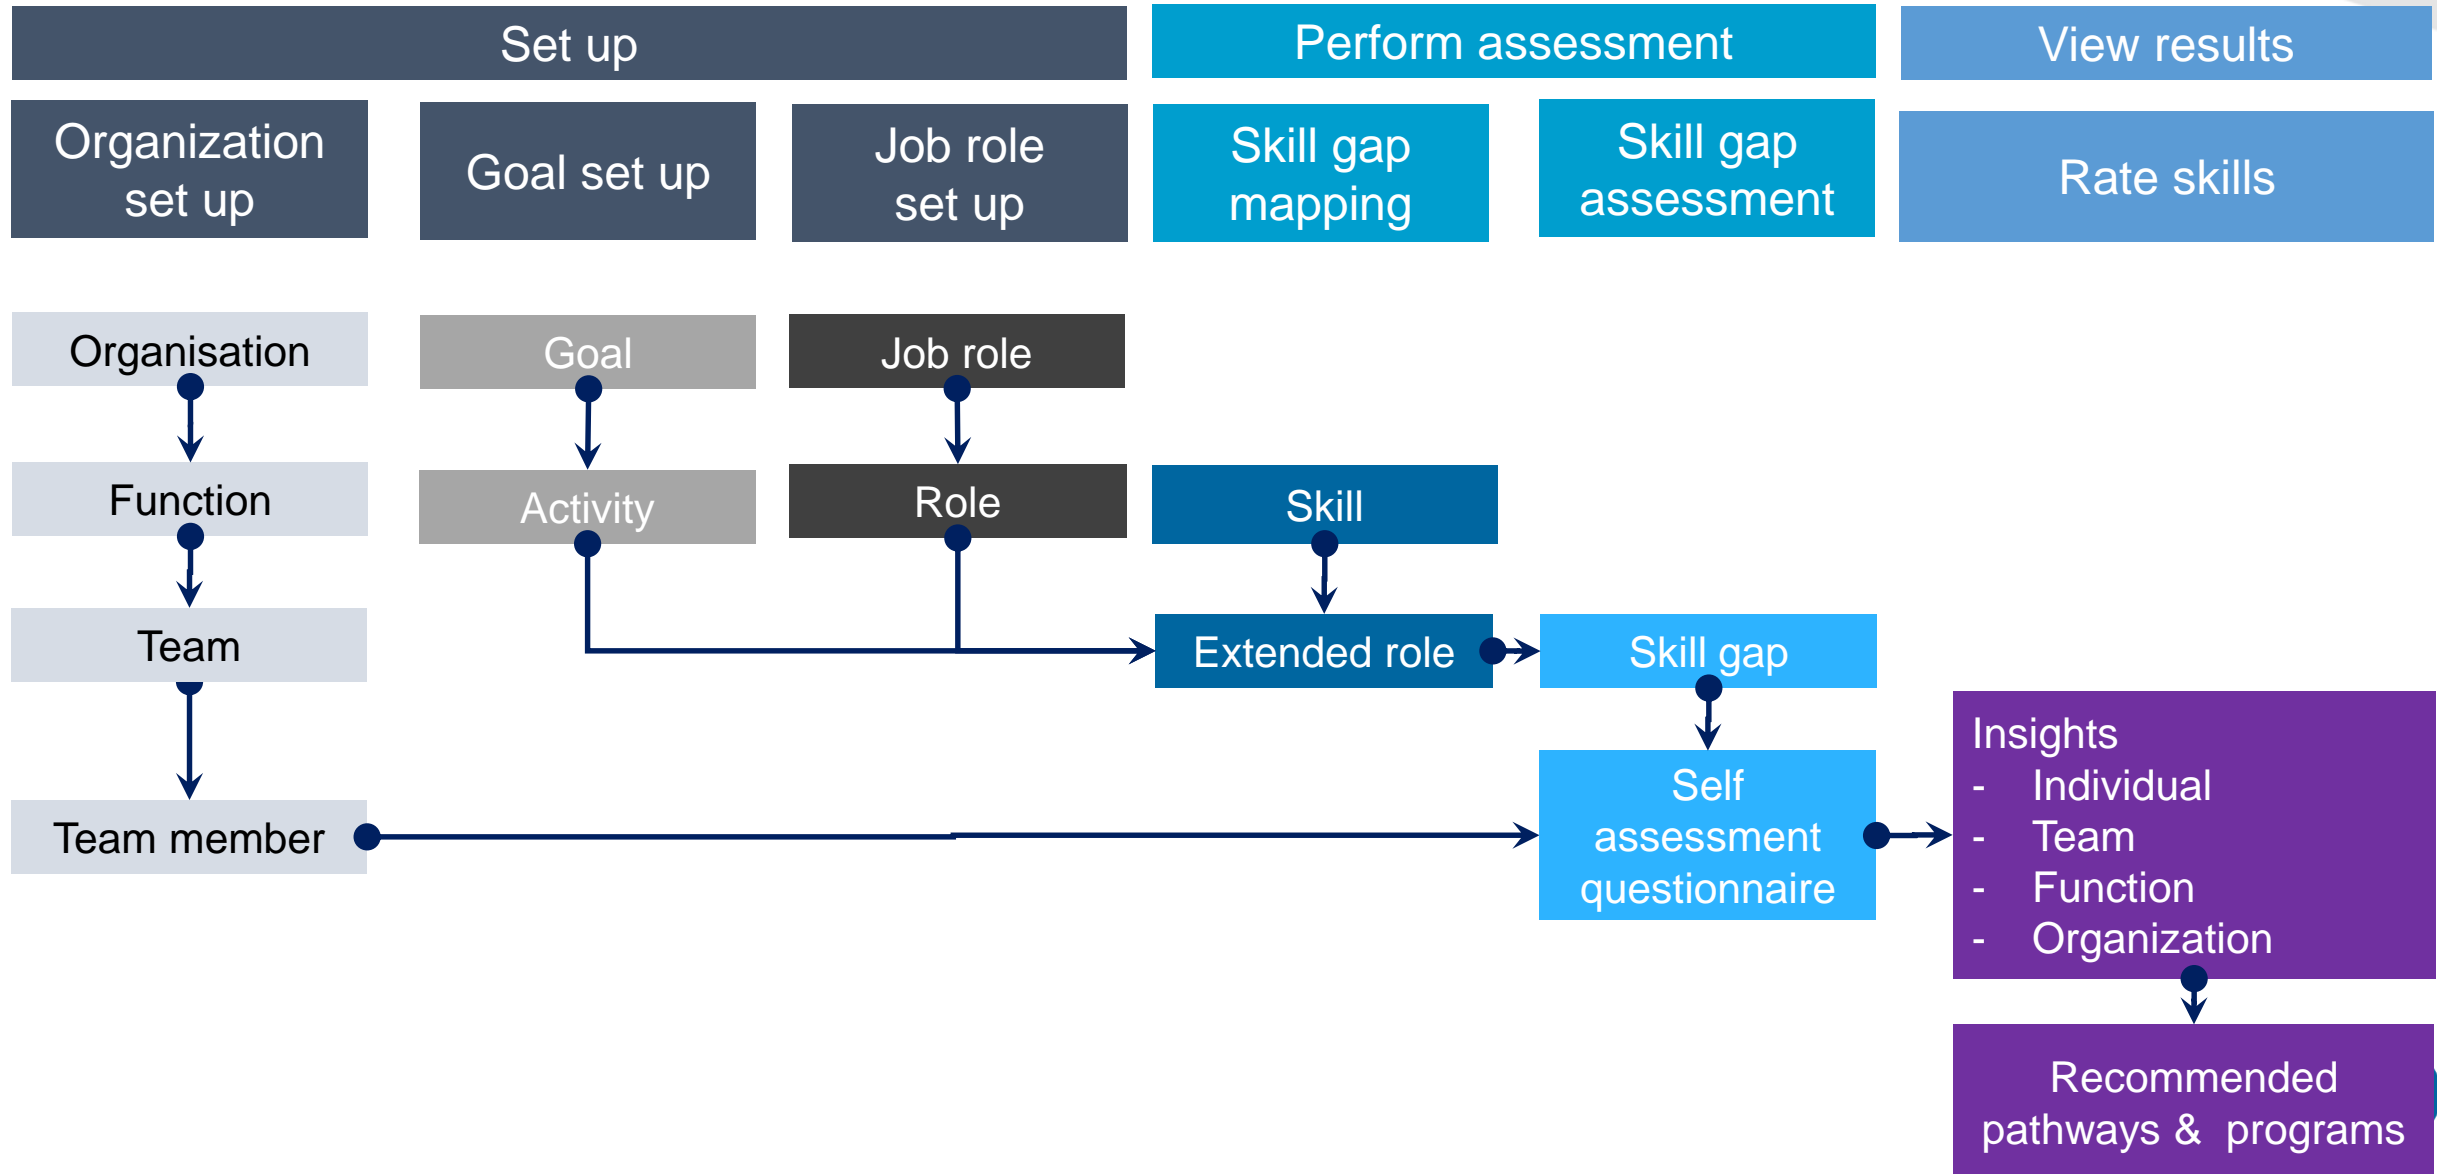

Informed organizational training and development plans

Systematic and objective skill building to achieve real outcomes

Synergy with collaborative outcomes

HOW DOES THE SKILLSCANZ WORK?
